Each Tuesday and Thursday at 9:55 a. m., assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

All cafeterias will be open from 11:30 to 1:15 for the lunch period. This is being done to serve those students taking classes at the 5th period. The eating places are: Allen Hall, Knight Hall, Smith Cafeteria, Campus Dorm, and Wymount Dining Hall.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Machine Accounting Office, 130 Maeser.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleting course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the second week of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. A student is not permitted to withdraw from a course after the sixth week of the quarter unless he is doing passing work at the time he desires to withdraw. Otherwise an "E" will be recorded on the official records for the course.
5. After the first week of each quarter there is a fee of \$1.00 for each change in registration (adding a course or discontinuing a course.) This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 280 Maeser Building; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of his college or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any students who has been in residence for one quarter or more and has a cumulative average of 2.5 (or 2.5 average in the quarter previous to registration) may register for a maximum of 19 hours without the consent of his Dean. Any student who has an average (cumulative or that of the previous quarter) of 2.5 or better may, with the consent of his Dean, register for 21 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.

NEW REGISTRATION PROCEDURE FOR STUDENTS FORMERLY REGISTERING IN THE COUNSELING SERVICE

Beginning Winter Quarter 1956 a new administrative unit known as General Registration will be responsible for registration for all students who have not selected a major field of study. This new unit is under the direction of the Dean of Admissions and Records and independent of the Counseling Service.

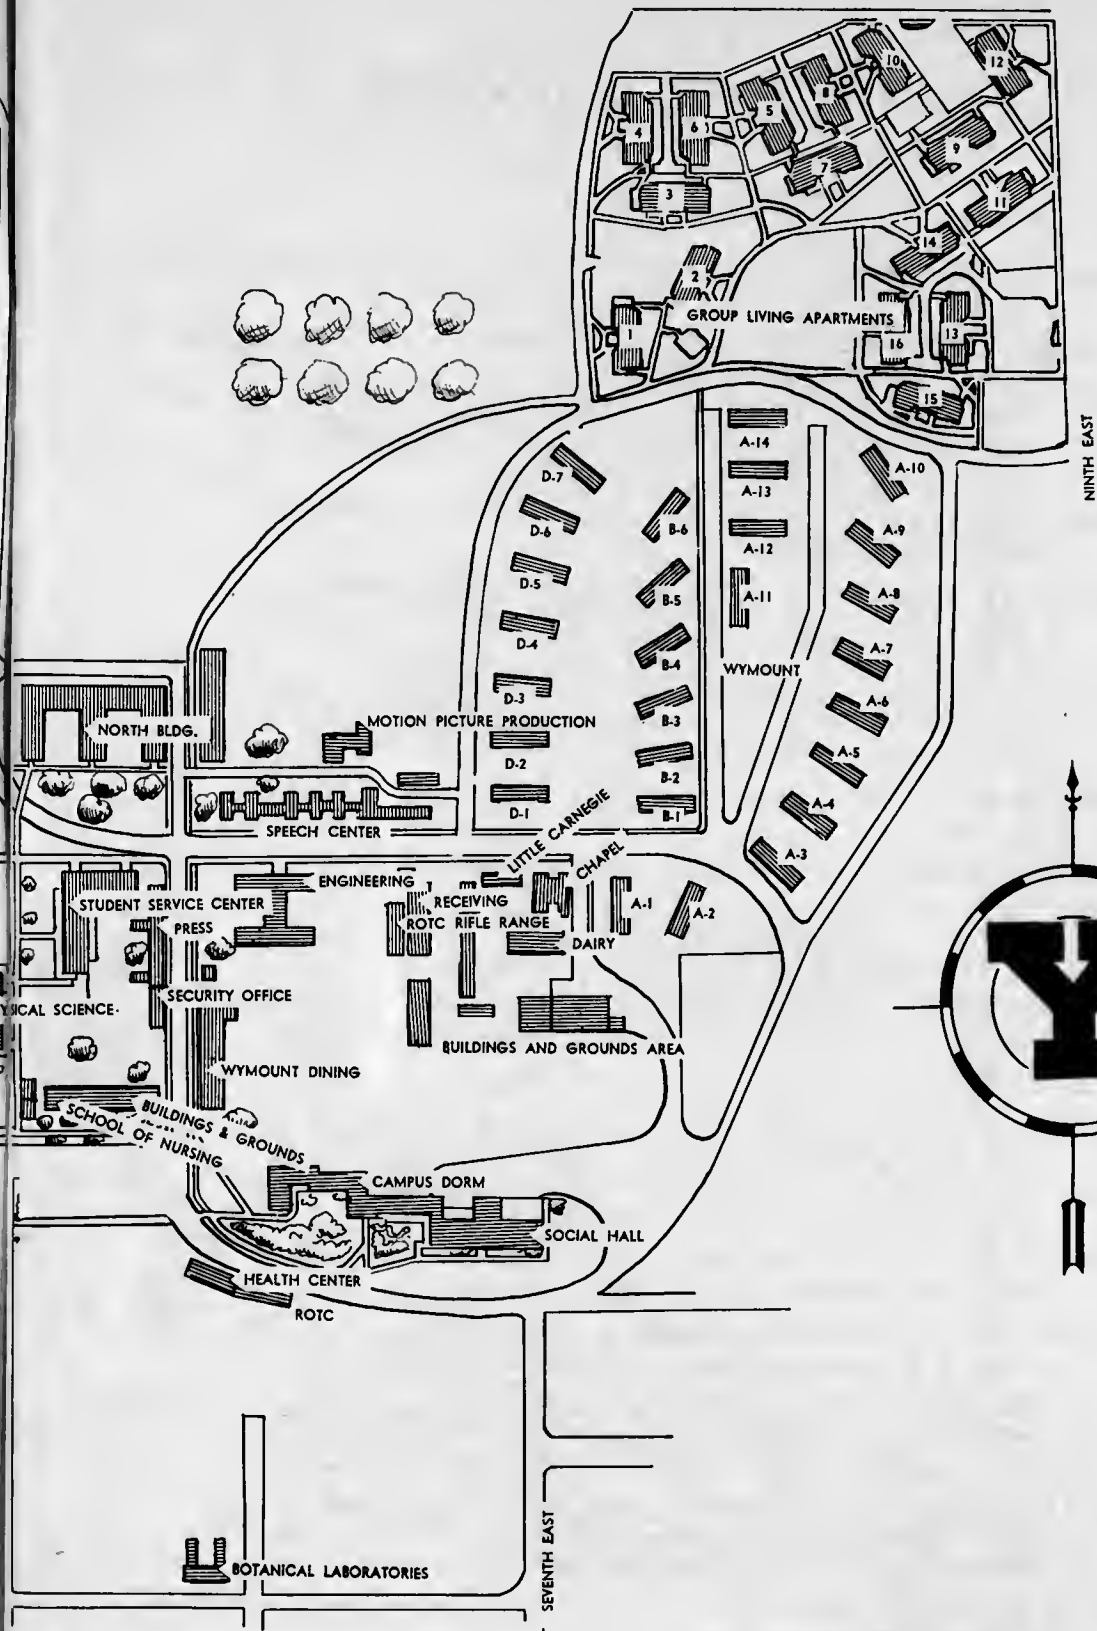

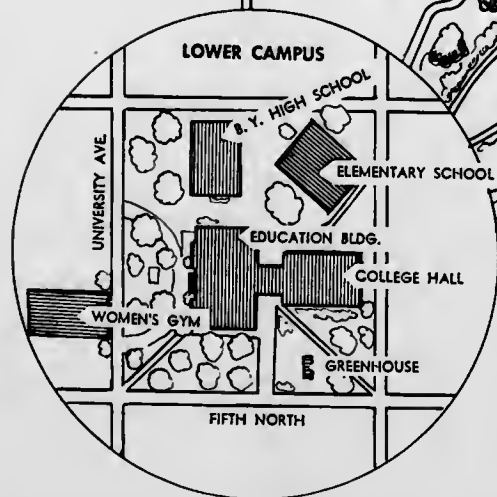

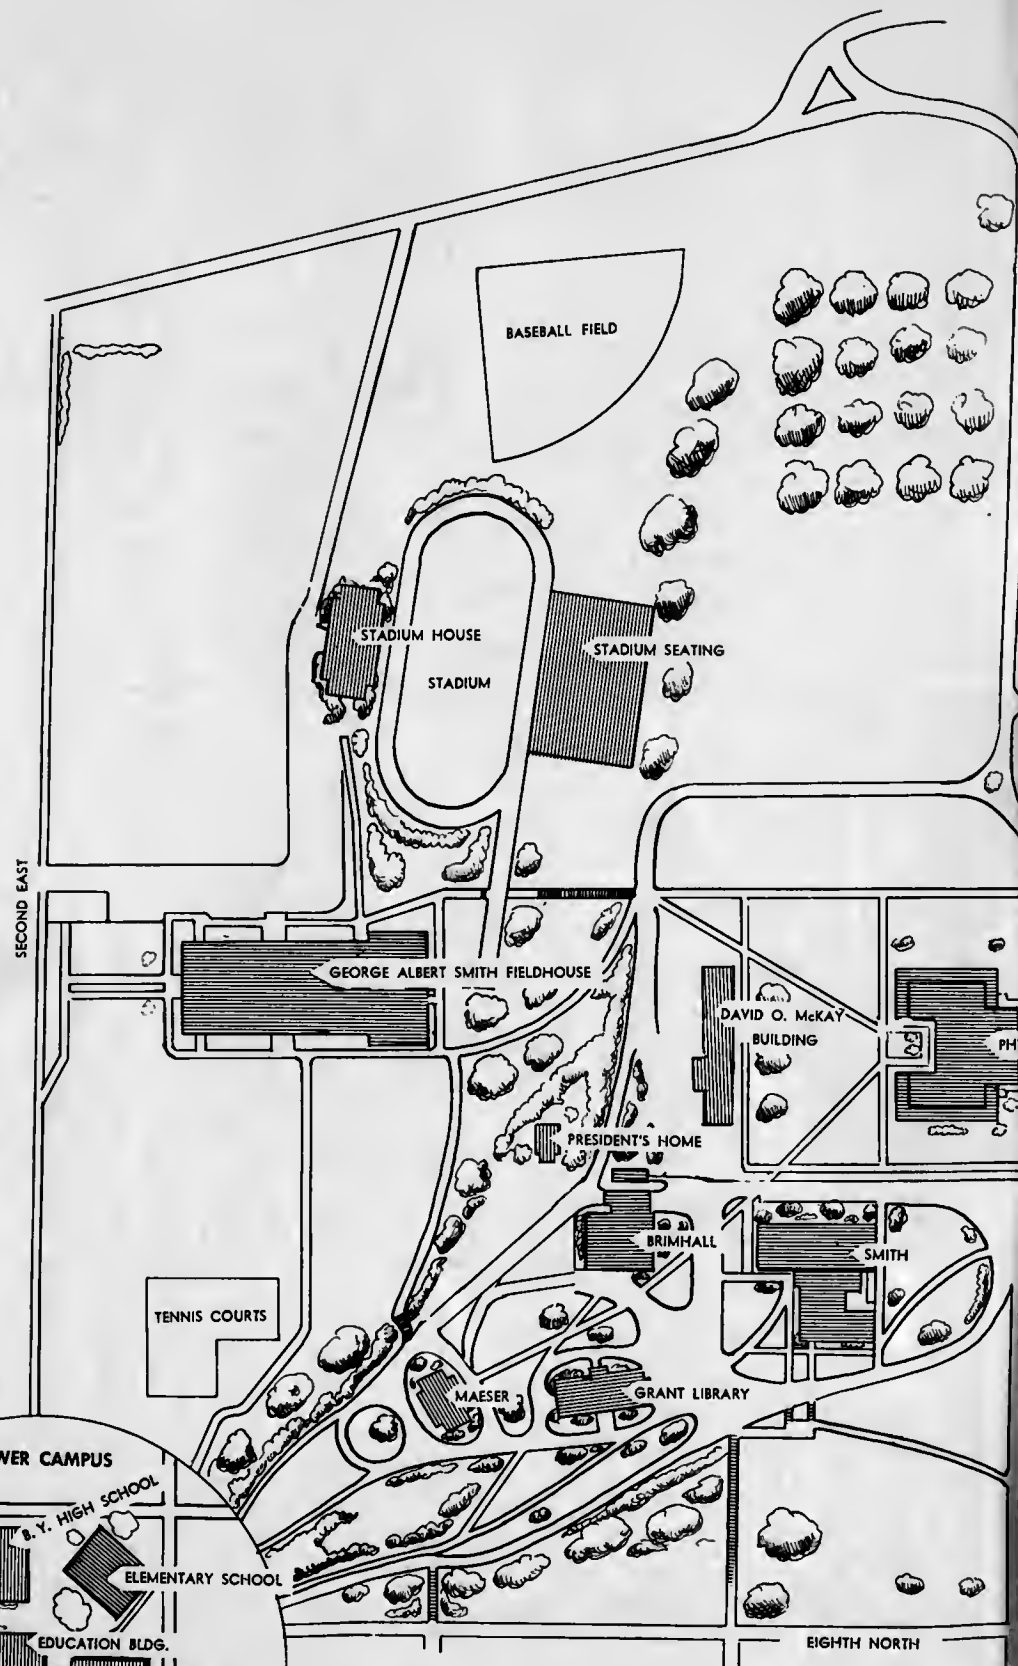

All students, regardless of where registered, are to have the advantage of the Counseling Service. Every new student in a college must make proper clearance with Counseling Service before he will be permitted to register the following quarter. In the case of new students in the Fall of 1955, the above requirement will be met if clearance from the Counseling Service is obtained prior to registration in the Spring term of 1956.

Students who register late should register with one of the following Deans or the Chairman of General Registration, or through the following Chairman of Departments as listed below.

Classes indicated as F are for the first term, June 11-July 13.
Classes indicated as S are for the second term, July 16-Aug. 17.
Classes indicated as C continue through both terms, June 11-Aug. 17.

1. Courses which do not draw a proper number of students by Friday of the first week will be discontinued by the Dean of the Summer School. Students who can register in the first term for a course indicated as being repeated in the second term should do so. Registration should be as complete as possible for the full 10 weeks.

2. The program of courses listed on your Registration card is considered official registration for the quarter. You will be held responsible for the completion of the entire program unless an official "Change in Registration" form is filed with the Registrar's Office. Changes in registration will not be accepted before Thursday, June 14.

3. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your dean or counselor. (The forms may be obtained from your Dean or the Registrar's Office. Complete instructions are printed on the back of the form.

4. After Friday of the first week of each term, there is a fee of \$1 for each change of registration (adding a course or discontinuing a course.) This is payable at the Treasurer's Office and will be receipted on the "Change of Registration" form.

5. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 280 Maeser Building, or you will be given a "UW" (Unofficial Withdrawal - this is the same as an "E") on the official records.

6. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Treasurer's Office.

UPPER CAMPUS

Summer School Class Schedule 1956

20c

Assembly each Tuesday and Thursday

IMPORTANT FACTS YOU SHOULD KNOW

Classes indicated as F are for the first term, June 11-July 13.
Classes indicated as S are for the second term, July 16-Aug. 17.
Classes indicated as C continue through both terms, June 11-Aug. 17.

1. Courses which do not draw a proper number of students by Friday of the first week will be discontinued by the Dean of the Summer School. Students who can register in the first term for a course indicated as being repeated in the second term should do so. Registration should be as complete as possible for the full 10 weeks.

2. The program of courses listed on your Registration card is considered official registration for the quarter. You will be held responsible for the completion of the entire program unless an official "Change in Registration" form is filed with the Registrar's Office. Changes in registration will not be accepted before Thursday, June 14.

3. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your dean or counselor. (The forms may be obtained from your Dean or the Registrar's Office. Complete instructions are printed on the back of the form.)

4. After Friday of the first week of each term, there is a fee of \$1 for each change of registration (adding a course or discontinuing a course.) This is payable at the Treasurer's Office and will be receipted on the "Change of Registration" form.

5. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 280 Maeser Building, or you will be given a "UW" (Unofficial Withdrawal - this is the same as an "E") on the official records.

6. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Treasurer's Office.

REGISTRATION INSTRUCTIONS
IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn into the Registrar's office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's office, Maeser building.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleeted course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleetion of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the second week of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. A student is not permitted to withdraw from a course after the sixth week of the quarter unless he is doing passing work at the time he desires to withdraw. Otherwise an "E" will be recorded on the official records for the course.
5. After the first week of each quarter there is a fee of \$1.00 for each change in registration (adding a course or discontinuing a course.) This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 280 Maeser Building; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of his college or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or 3.5 average in the quarter previous to registration) may register for a maximum of 19 hours. Any student who has an average (cumulative or that of the previous quarter) of 3.5 or better may, with the consent of his Dean, register for 21 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.

REGISTRATION PROCEDURE FOR STUDENTS
FORMERLY REGISTERING IN THE COUNSELING SERVICE

A new administrative unit known as General Registration will be responsible for registration for all students who have not selected a major field of study. This new unit is under the direction of the Dean of Admissions and Records and independent of the Counseling Service.

All students, regardless of where registered, are to have the advantage of the Counseling Service. Every new student in college must make proper clearance with Counseling Service before he will be permitted to register the following quarter.

Classes are listed by the hour from page 9 to page 58. Classes are listed by Department from page 59 to page 76.

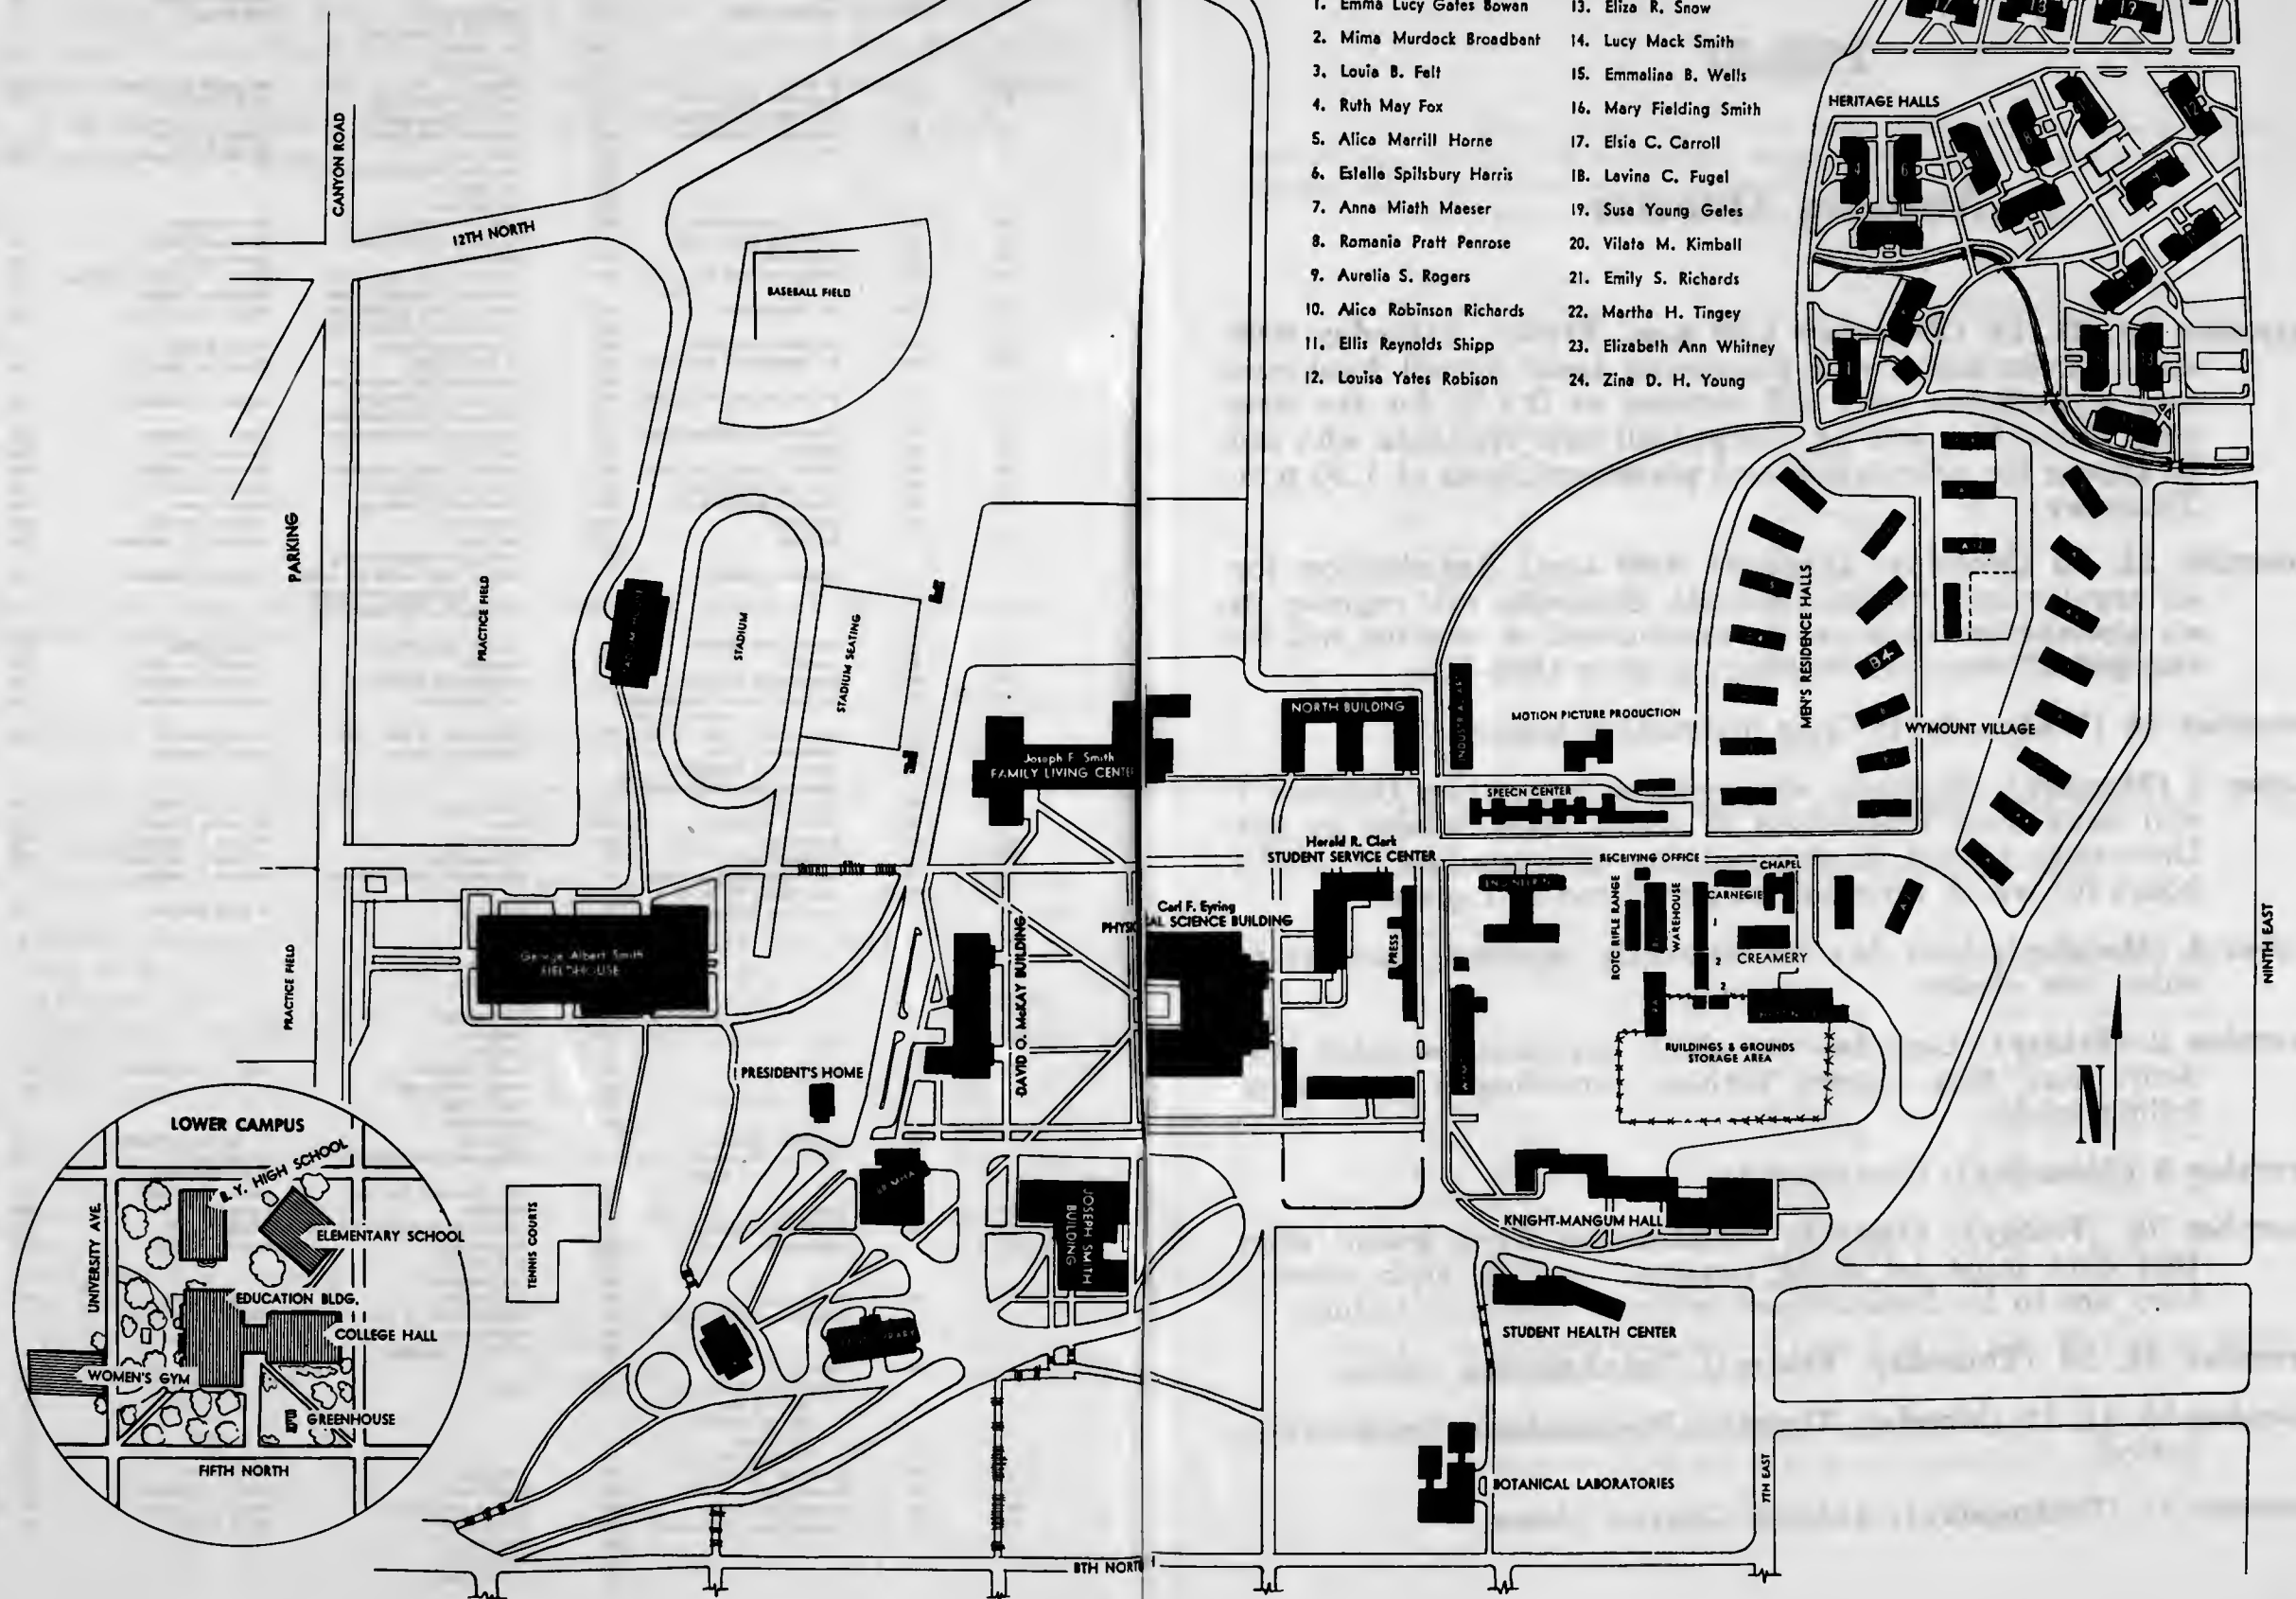

Each Tuesday and Thursday at 11 a. m. assemblies will be held in the Field house. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

Students should register with one of the following Deans or the Chairman of General Registration:

Autumn Quarter

September 20, 21, 22 (Thursday 1:30 p.m., Friday, Saturday 8:00 a.m.): Orientation and placement tests for all freshmen and sophomores who will register at B.Y.U. for the first time. Late fees will be charged all new students who fail to appear for orientation and placement tests at 1:30 p.m. Thursday.

September 24, 25 (Monday, Tuesday) 8:00 a.m.: Registration for all regular and special students. Students will register in an alphabetical order to be announced. A late fee will be charged all students registering after this date.

September 26 (Wednesday): Class instruction begins.

October 1 (Monday): Students who register later than October 1 will have their transcripts of credit re-examined by the University to aid in determining the number of credit hours for which they will be permitted to register.

October 8 (Monday): Last day for currently enrolled students to enter new classes.

November 2 (Friday): Last day on which currently enrolled students may drop classes without receiving a passing or failing grade.

November 3 (Saturday): Homecoming.

November 16 (Friday): Students withdrawing from school after this date must be doing passing work in each class if they are to be discontinued without academic failure.

November 22, 23 (Thursday, Friday): Thanksgiving recess.

December 10, 11, 12 (Monday, Tuesday, Wednesday): Examination period.

December 12 (Wednesday): Autumn Quarter closes.

All students enrolled Autumn Quarter 1956 must obtain a permit to register on January 2nd by filing an approved trial registration with the Registrar's Office on or before December 14. Those who do not comply with this request must register January 3rd or later and pay the late fee.

New students and former students not enrolled Autumn Quarter may register according to the above alphabetic schedule upon presentation of their green or yellow admittance slips.

If permits to register or admittance slips are lost, a duplicate may be obtained at the Field House on registration day, but this will delay one's registration.

Students not enrolled Autumn Quarter who do not advise the Admissions Office of their plans to return will encounter considerable delay in their registration.

It is the policy of the University that each student must not register for more than one-half of his classes in the forenoon (periods 8, 9, 10, and 11 a.m.) unless excused by his Dean or the Chairman of General Registration.

UNIVERSITY CALENDAR

WINTER QUARTER

January 2, (Wednesday): Registration for all students. A late fee will be charged all students registering after this date.

January 3 (Thursday): Class instruction begins.

January 7 (Monday): Following this date, no student will be permitted to register without special approval from the Dean of his College, following a careful re-examination of the student's academic records.

January 11 (Friday): Last day for currently enrolled students to enter new classes.

February 8 (Friday): Last day on which currently enrolled students may drop classes without a passing or a failing grade.

February 22 (Friday): Students withdrawing from school after this date must be doing passing work in each class if they are to be discontinued without academic failure.

March 12, 13, 14 (Tuesday, Wednesday, Thursday): Examination period.

March 14 (Thursday): Winter Quarter closes.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW AT B. Y. U.

1. The program of courses listed on your registration card supported by course cards you turn into the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Monday, January 7th.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleting course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E".
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. A student is not permitted to withdraw from a course after the sixth week of the quarter unless he is doing passing work at the time he desires to withdraw. Otherwise an "E" will be recorded on the official records for the course.
5. Beginning Wednesday, January 10th there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course.) This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 2234 SFLC; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a college or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students regardless of where registered are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors sometime during their first year at B. Y. U. to discuss the results of their orientation tests. Freshmen students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

Each Tuesday and Thursday at 11 a. m. assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

In order to register on March 19 all students enrolled Winter Quarter 1957 must obtain a permit from the Registrar's Office on or before March 8. This permit will be issued in exchange for a pink trial registration form signed by the student's advisor. Those who do not comply with this request must register on March 20 or later and pay the late fee.

New students and former students not enrolled Autumn Quarter may register according to the above alphabetic schedule upon presentation of their green or yellow admittance slips.

If permits to register or admittance slips are lost, a duplicate may be obtained at the Field House on registration day, but this will delay one's registration.

Students not enrolled Autumn Quarter who do not advise the Admissions Office of their plans to return will encounter considerable delay in their registration.

It is the policy of the University that each student must not register for more than one-half of his classes in the forenoon (periods 8, 9, 10, and 11 a.m.) unless excused by his Dean or the Chairman of General Registration.

UNIVERSITY CALENDAR, SPRING QUARTER

March 19 (Tuesday): Registration for all students. A late fee will be charged all students registering after this date.

March 20 (Wednesday): Class instruction begins.

March 25 (Monday): Students who register later than March 25 will have their transcripts of credit re-examined by the University to aid in determining the number of credit hours for which they will be permitted to register.

March 29 (Friday): Last day for currently enrolled students to enter new classes.

April 26 (Friday): Last day on which currently enrolled students may drop classes without a passing or a failing grade.

May 6 (Monday): Students desiring to enter the summer session who have not previously attended B. Y. U. should submit their application for admission on or before May 6.

May 10 (Friday): Students withdrawing from school after this date must be doing passing work in each class if they are to be discontinued without academic failure.

May 25 (Saturday): Senior Day.

May 28, 29, 30 (Tuesday, Wednesday, Thursday): Examination Period.

May 30 (Thursday): Baccalaureate Services.

May 31 (Friday): Alumni Day.

May 31 (Friday evening): Eighty-second Commencement Exercises.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW AT B. Y. U.

1. The program of courses listed on your registration card supported by course cards you turn into the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Friday, March 22.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleting course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. A student is not permitted to withdraw from a course after the sixth week of the quarter unless he is doing passing work at the time he desires to withdraw. Otherwise an "E" will be recorded on the official records for the course.
5. Beginning Wednesday, March 26th, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course.) This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 2234 SFLC; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students regardless of where registered are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshmen students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

Each Tuesday and Thursday at 11 a. m. assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.
